

PM REALTY: ANOTHER BIG ASSIGNMENT

BISNOW_{ATLANTA}

October 25, 2010

PM Realty Group has grabbed another big **leasing project**. This time it's **Embassy Row**, in the heart of **Central Perimeter**.

Leasing on the five-building, **657K SF** office complex off Abernathy Road will be led by PMRG SVPs **Chip Roach** and **Bill Weghorst**. Embassy Row is owned by AREA Property Partners and is **70% leased** with major tenants such as Ceridian and Atlanta Institute of Art. This gives PMRG more than **10M SF** of real estate in Atlanta.
