D CEO MAR 2011

The 2011 *D CEO* Power Brokers were selected by those who should know best: the North Texas commercial real estate firms themselves. We asked leaders at the firms to tell us which brokers generated the most revenue for their companies in 2010. The number of names they were allowed to submit was based on their total number of brokers. After reviewing the results, one thing is clear: There's no shortage of successful office tenant representatives in Dallas-Fort Worth. *D CEO's* Power Brokers are listed in alphabetical order by their primary area of expertise.
