

## CFO FINALISTS

**Mid-Cap Private Company  
(2011 revenue between  
\$76 million and \$249 million)****William Roger Gregory  
Executive vice president and CFO  
PM Realty Group LP**

As a real estate property manager, PM Realty Group saw strong growth last year due in part to launching two high-rise multifamily projects, one in Dallas and one in Houston. As CFO, Gregory was involved in all aspects of the project, from site selection to financing to design and development.

But much of his time last year was focused on shoring up equity investors for PM Realty's 2012 acquisition and development plans. Charged with establishing and executing the company's investment management business strategy, Gregory, also a partner in the company, said he knows PMRG's long-term growth depends on him succeeding.
